## DOLLAS MESSER

For more than fifty-five years I have been studying, preaching, and teaching the truth of God's Word. My goal has always been the same: "Be true to Scripture. Get it right." Twisting Scripture or being reckless with the truth is unacceptable. Handling it with precision and communicating it in an easily understood manner continues to be my aim in explaining, interpreting, and applying what the Bible says.

Thank you for taking the time to view our resource catalog which contains some of my publications, preaching CDs, and Bible study resources that are presently available for purchase. The catalog is published periodically with new releases, so it's a consistent source of information. Let me know if you would like to be a regular receiver.

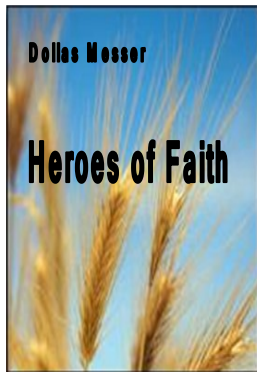

If the Lord prompts you to use any of the resources for personal/group study, mid-week Bible studies, or Sunday School, fill out the order form on page nine with your selection and mail to address below. Also, please feel free to contact me personally. I look forward to us laboring together for the glory of God and the good of His people.

Yours in Christ,

 The challenge to live a Godly life has never been greater. We need to know the expectations of a holy God, His provisions for us, and how we may live and communicate what the Bible says about holy living. This study highlights Bible principles and concepts that challenge us to become more like Christ in character and conduct.

Also, you will come across ways to sincerely and acceptably pray the Lord's prayer and practice God's presence. Furthermore, the little known New Testament figure, Epaphras, will inspire you to labor "within the closed door."

**The Coming of the Kingdom of God**  
 The coming of Christ fulfilled many Old Testament prophecies concerning the kingdom of God coming to earth. As the Sent One from the Father, Jesus came with authority and power to destroy the works of the Devil, deliver the captives, and establish God's rule among us and on earth. How He is doing this is detailed in His threefold plan for the coming of the Kingdom of God: embodiment, establishment, and enforcement.

### The Call of God

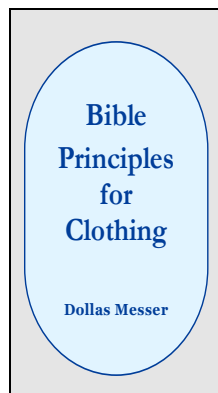

Why does God call? To what does He call? And how does He call? Here are clear, concise answers straight from the Bible which leave no doubt that the call of God is more than an invitation. It is a summons issued with all divine authority and power, for the God who calls is sovereign, holy, gracious, and faithful. His summons is a heavenly, holy, and high calling. Four Christlike attitudes are prerequisite to walking worthy of your calling.

### Bible Principles for Clothing

Holy Scripture, not cultural norms or personal preferences, is the final authority in life and Godliness. We must therefore give reverent attention to what the Bible says about any given subject, including clothing. Get ready to hear how God, who designed clothing, defines nakedness and sets the standard for dressing right in His sight.

### God Is Holy

That the God of Scripture is holy none but the biblically illiterate would deny. And no book of the Bible reveals His holiness better than Proverbs, the book of Godly wisdom. These proverbial sayings of the wise indirectly reveal seven ways God's holiness is present in His dealings with man. May the truth of His holiness strike your heart with arresting awe, as it did Isaiah.
